

FRIENDS FROM DIFFERENT FAMILIES

Peter and Cornelius

(Ashley Slater & Kristian Booth)

A friend like me
Needs a friend like you
Your eyes are green
My eyes are blue
You come from afar
But we watch the same stars

You smile at me
I smile at you
I help you up
You help me through
You're just like me
I'm just like you and you and you

In everything and everyone
A friendship that has just begun
We can learn to love anyone

*The soldier said to Peter
Cornelius wants to meet you
Please open up the door and come down
My leader needs to see you
To tell you what he's been through
So Peter tells his friends we'll leave now*

*Please come with me and you will see
Friends from different families
Please come with me and we can be
Friends from different families*

Be friends with us
We're friends with you
God made me
And God made you
I left my land
To help you understand God's plan

Come sit with me
I'll sit with you
And we'll talk through
All our issues
I was confused
But now my dream
Has shown me what to do

In everything and everyone
A friendship that has just begun
Bringing faith to everyone

The soldier said to Peter...

We all can learn a lesson
It's no good second-guessing
A book's not just a cover
Be open to each other
If you're Christian or you're Jewish
If you're brown or white or bluish
We've got to take each other as we are

In everything and everyone
A friendship that has just begun
Bringing faith to everyone

The soldier said to Peter...
