“I give this curriculum an A+ for homeschoolers!”

Gena Suarez, Publisher, The Old Schoolhouse[®] Magazine

Homeschooling revitalized!

Imagine a resource with interdisciplinary learning, inspired by thrilling animated adventures containing Bible stories on DVD! That's what the brand new Friends and Heroes Homeschool Curriculum offers. Each Unit Study provides learner-centered, self-guided lesson material with a full Teacher's Guide and a full episode of Friends and Heroes award-winning adventures on DVD to serve as stimulus material, plus internet links to richly illustrate the topics and serve as a resource for those students who wish to pursue a topic further.

Unique homeschool curriculum

- Ideal for students 7 to 11 years of age – the DVDs are attractive to a wider age range!
- 13 Unit Studies per series – each Unit Study featuring at least two themed Bible stories (usually one Old and one New Testament).
- Printable and reusable – use with multiple children simultaneously or over multiple school years.
- Plenty of hands-on activities in each chapter to encourage kinesthetic learners and to keep younger fingers busy.
- Opportunity for your children to create their own books as they progress through the curriculum (Macky's Journal) – great keepsakes for the children and records of progress.
- All subjects taught from a Christian worldview!
- Includes Certificates of Achievement – great motivators and rewards for your hard-working students.

Going deeper – Integrating technology

The Friends and Heroes Teacher's Guide for each Unit Study provides relevant internet links for lesson enrichment and further learning. The Friends and Heroes Children's Website at www.friendsandheroes.tv also provides outstanding website support material for students – child-friendly and full of exciting puzzles, quizzes and games plus information about Bible characters, Bible places, Roman times and Friends and Heroes characters and storylines.

Finally, homeschool curriculum the whole family loves!

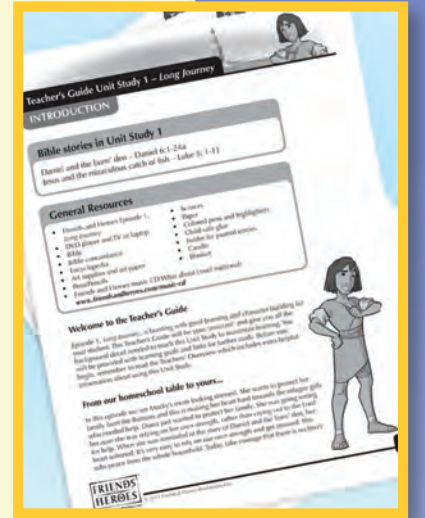

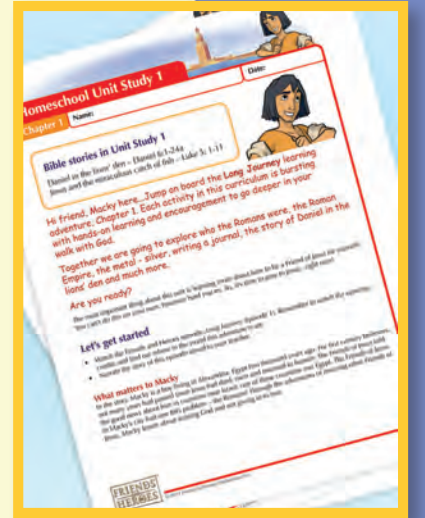

Friends and Heroes award-winning DVDs and innovative curriculum create a learning experience that's dynamic, adaptable to your family's needs, and fun. You may find your children enjoy learning so much they will ask to do school on Saturdays, too!

Each Unit Study covers:

- ✓ History/Geography – detailed, age-appropriate exploration of the Ancient Roman Empire and daily life in Early Church times.
- ✓ Science (creation-based) – includes hands-on learning projects and experiments!
- ✓ Creative writing – inspired by exciting video material with stories and characters children love.
- ✓ Bible study – integrated closely into the whole learning experience, teaching children the relevance of important Biblical truths in their lives.
- ✓ Crafts – great hands-on learning related to the subject material of each Unit Study.
- ✓ Discipleship – dealing with issues relevant to the life and challenges in a homeschool family – chores, training, generosity, hopefulness, loving siblings, etc.

“Destined to become classics among homeschooling families. Paul A. Suarez, Publisher, The Old Schoolhouse Magazine”

“I love the way the curriculum integrates a variety of subjects in a seamless manner. My children love the DVD episodes and are really drawn into learning. LS, Homeschool Parent”
