

I'M YOUR MAN (MACKY'S SONG)

(Judy MacKenzie-Dunn)

Where there are wrongs to right
And battles to be won
I'm your man...oh yes I am
Where there are foes to fight
And races to be run
I'm your man...oh yes I am

*I may be young, but I get older every day
And I have learnt a trick or two along the way*

*So if you need a hand, I'll help you if I can
I'm your man, yes I am, I'm your man*

When everyone you trust
Is nowhere to be found
I'll be there, yes, I'll be there
When all your hopes
and dreams
Go crashing to the ground
I'll be there for you,
I'll be there

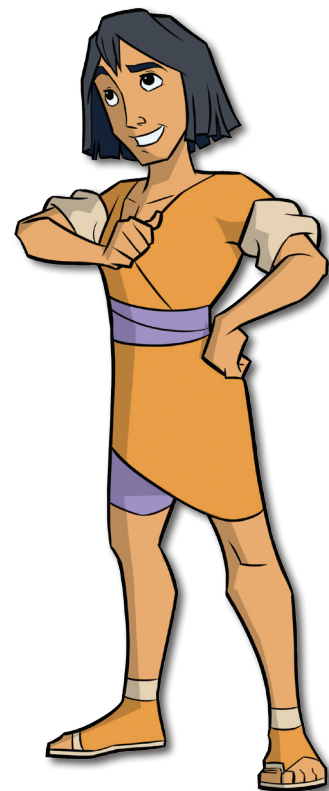

*I may be young, but I get older every day
And I have learnt a thing or two along the way*

*So if you need a prayer, or just someone
to care
I'll be there, that's for sure, I'll be there*

So when the times get tough
You feel you've had enough
Count on me, count on me
Might be a bumpy ride
But right is on our side
Count on me, count on me

*I may be young, but I get stronger every day
And I have faith and hope to help me on
my way*

Our time will come, you'll see
One day we'll all be free
Count on me, I'll be there, count on me
Count on me, I'll be there, count on me
Count on me, I'll be there, count on me
