

WORKING ON ANOTHER SCHEME (TOADIE'S SONG)

(Emma Pears & Sue Rinaldi)

Working on another scheme
Another plan
He's after Macky
And he'll trick him if he can
You'd better run away from him
This evil man
'Cos he's sneaky Tobias, oh yeah

He'll flatter you then splatter you
With dreadful deeds
Dreaming up a crazy scheme
To make him seem
More brilliant than he really is
Brighter than the sun
But he's shady Tobias, oh yeah
Well he's shady Tobias, oh yeah

*Whatever it takes
How his heart breaks
To see you running
And desperate to escape
He'll try to trick you and lie
He's mean, he can't deny
He'll be happy when the rebels die
He'll trick you and lie
He's mean, he can't deny
He'll be happy when the rebels die*

He's silly and he's foolish
Quite a dopey chap
He thinks that he's a genius
But we know that's not the fact
Always out to make some money
Put more in his sack
'Cos he's greedy Tobias, oh yeah

*Whatever it takes...
(Repeat)*

He's Tobias, that's 'Toadie' to you
Just be sure he'll be watching what you do
