***“I give this curriculum an A+ for home educators!”***

Gena Suarez, Publisher, The Old Schoolhouse® Magazine

# Home Education revitalised!

Imagine a resource with interdisciplinary learning, inspired by thrilling animated adventures containing Bible stories on DVD! That's what the brand new Friends and Heroes Home Education Curriculum offers. Each Project Pack provides learner-centred, self-guided lesson material with a full Parent's Guide based on an episode of Friends and Heroes award-winning adventures on DVD serving as stimulus material, plus internet links to richly illustrate the topics and serve as a resource for those learners who wish to pursue a topic further.

## Unique Home Education Curriculum

- Ideal for children 7 to 11 years of age – the DVDs are attractive to a wider age range!
- 13 Project Packs per series – each Project Pack features at least two themed Bible stories (usually one Old and one New Testament).
- Printable and reusable – use with multiple children simultaneously or over multiple school years.
- Plenty of hands-on activities in each chapter to encourage kinesthetic learners and to keep younger fingers busy.
- Opportunity for your children to create their own books as they progress through the curriculum (Macky's Diary) – great keepsakes for the children and records of progress.
- All subjects taught from a Christian worldview!
- Includes Certificates of Achievement – great motivators and rewards for your hard-working children.

To learn more and view curriculum samples, go to [www.friendsandheroes.com/home-education](http://www.friendsandheroes.com/home-education)

## Going deeper – Integrating technology

The Friends and Heroes Parent's Guide for each Project Pack provides relevant internet links for lesson enrichment and further learning. The Friends and Heroes children's website at [www.friendsandheroes.tv](http://www.friendsandheroes.tv) also provides outstanding website support material for learners – child-friendly and full of exciting puzzles, quizzes and games plus information about Bible characters, Bible places, Roman times and Friends and Heroes characters and storylines.

# Finally, Home Education Curriculum the whole family loves!

Friends and Heroes award-winning DVDs and innovative curriculum create a learning experience that's dynamic, adaptable to your family's needs, and FUN! The Friends and Heroes Home Education curriculum was written in the UK by a home educating family – so your family will love it!

## Each Project Pack covers:

- ✓ History/Geography – detailed, age-appropriate exploration of the Ancient Roman Empire and daily life in Early Church times.
- ✓ Science (creation-based) – includes hands-on learning projects and investigations!
- ✓ Creative writing – inspired by exciting video material with stories and characters children love.
- ✓ Bible study – integrated closely into the whole learning experience, teaching children the relevance of important Biblical truths in their lives.
- ✓ Crafts – great hands-on learning related to the subject material of each Project Pack.
- ✓ Discipleship – dealing with issues relevant to life and challenges in a home educating family – chores, training, generosity, hopefulness, loving siblings, etc.

“Destined to become classics among home educating families. Paul A. Suarez, Publisher, The Old Schoolhouse Magazine”

“I love the way the curriculum integrates a variety of subjects in a seamless manner. My children love the DVD episodes and are really drawn into learning. LS, Home Educating Parent”

## Each Friends and Heroes Home Education Project Pack includes:

**Friends and Heroes DVD** usually containing two or more full-length adventure episodes to serve as stimulus material for the cross-curricular projects

All parent and child materials included on **CD-ROM** – printable and reusable

Learner-centred, self-guided **Project Manual**

**Parent's Guide** – includes answer keys, and internet links

“*(My boys) enjoyed the presentation of the lessons with the format and layout being colourful and fun without being ‘babyish.’*”  
KM, Home Educator

Available as individual DVDs with related Project Packs or as boxed series sets of 13 projects, featuring both Old and New Testament stories, this material is absolutely unique and very engaging for both the learners and their families!
