**The Prize:** a portable DVD Player of his own to play Friends and Heroes on!

Sam Harniess, aged 4, originally from Belfast, but currently living in North Africa, was recently announced to be the winner of a portable DVD player in a competition run by Topz and Friends and Heroes.

Friends and Heroes is an award-winning animated series of Bible stories on DVD. Topz is a fun-packed, bi-monthly Bible devotional published by CWR, which aims to teach children biblical truths through word games, puzzles, riddles, cartoons, competitions and simple prayers.

To win the competition Sam had to view the Bible story of David and Goliath from a Friends and Heroes episode and then answer questions about the story. His entry was drawn from nearly 100 entries received from around the world

Sam's prize, a limited-edition Friends and Heroes DVD player, will allow him to watch his favourite DVDs wherever he goes.

The photo shows a very pleased Sam receiving his prize from his grandparents, who were able to personally present it to him during a recent family visit to see him.
