

DANIEL

Daniel and the Lions' Den

(Emma Pears)

King Darius thought that Daniel was great
The king's advisors were full of hate
They tricked him into making a law
That would lead ol' Daniel to lions' jaw

*Daniel in the lions' den
Chose to trust God over men
God kept him very, very safe
You should've seen the smile
On the old king's face!*

Three times a day to God he prayed
At his window on his knees he stayed
Darius was told he'd been disobeyed
He knew that Daniel would have to pay

*Daniel in the lions' den
Chose to trust God over men
God kept him very, very safe
You should've seen the smile
On the old king's face!*

God didn't let him down down down
God didn't let him down down down
God didn't let him down down down
God didn't let him down

The king tried hard, he tried all day
To save ol' Daniel but there was no way
Lions wanted him served up on a plate
God shut their mouths and kept Daniel safe

*Daniel in the lions' den
Chose to trust God over men
God kept him very, very safe
You should've seen the smile
On the old king's face!
God didn't let him down down down...*
