

REMEMBER ME

The Last Supper

(Emma Pears)

*Eat this bread, and think of me
I give myself for you, you can be free
I have done my Father's will and now
You must go and do the same
Always remember me*

Let's share this special meal
My friends, for this will be
Our last time together
I will be betrayed
And then there'll be the trial
My death you'll remember
Eat this bread, and think of me...

Take this bread and eat
Know that I have chosen
To give myself for you
And when you drink this wine
Remember every time
That God loves all of you

*Eat this bread, and think of me
I give myself for you, you can be free
I have done my Father's will and now
You must go and do the same
Always remember me*

I will give my life for you
It's what I willingly do
Always choose to remember the truth
That God loves all of you

*Eat this bread, and think of me
I give myself for you, you can be free
I have done my Father's will and now
You must go and do the same
Always remember me*
