“The animation is very well done and realistic. The setting, characters and historical accuracy add to the overall enjoyment of the story. Using Friends and Heroes as a supplement will help ensure needed comprehension of applicable biblical truths to the present day lives of my students.”

DF, Grade 3 Teacher

Breathe life into your Bible program!

Friends and Heroes introduces Bible stories in an fresh, appealing, and memorable way, using 2D cartoon-style animation to tell the adventure stories, mixing seamlessly with 3D CGI animation for the Bible stories.

Friends and Heroes adventure stories are set within the vivid historical context of the first century. These stories take place almost two thousand years ago, yet Macky and the gang appeal strongly to today's children. As children follow Macky and his friends' exciting adventures, they will understand that the Bible has much to offer as we try to decide what is right and what we should do today just as they did then.

“My students were riveted as they watched the episodes of Friends and Heroes. As soon as the program ended, they quickly asked to watch the next episode. I believe Friends and Heroes to be a fun application of Biblical truth into real situations for our students. The translation of Bible story into real life application is needed in many Bible programs and classrooms and this series will help bridge that gap.”
